

Your Prostate Cancer Screening was sponsored by St. Vincent's SWIM Across the Sound and the Prostate Cancer Institute

Help us Turn the Tide Against Cancer

Please support future screenings in your community with a donation.

St. Vincent's SWIM Across the Sound provides cancer screening, prevention and support programs at low- or no-cost to the underserved. In addition, the SWIM helps individual cancer patients on a case-by-case basis with specific needs, such as the funding of wigs and prostheses, medication assistance, free transportation to treatments and appointments, day-care scholarships and support groups.
