Thoughts from past residents:

"The program challenges the resident to be the best they can be. It also improves the resident's weaknesses.... I feel confident enough in myself that I am capable of being an integral part of the team."

"My favorite thing about this program is how knowledgeable and skillful the preceptors are."

"My residency training at SVMC accelerated and elevated my skills in pharmacy practice. It was here that I learned how to see and treat the person that is behind a patient's medication profile."

"PGY1 Residency at SVMC has provided me with all the essential tools and knowledge I need to function as an efficient Clinical Pharmacist. I can never thank the entire pharmacy staff enough for prioritizing my educational interests and providing me with such great training. It was the best residency experience I could have asked for and I am thankful for the opportunity."

"The best thing about residency at SVMC is the fantastic colleagues throughout the organization that support you professionally and personally."

"My favorite thing about residency at SVMC is the amazing balance between work and fun."
